Admiralty Office, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty Office, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions; *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight or Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to

which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

(*Circular to the Naval Commanders-in-Chief.*)

Admiralty Office, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance,

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

His Royal Highness the Lord High Admiral having appointed the Rev. Samuel Cole, DD., the Senior Chaplain of Greenwich Hospital, to superintend the issue of religious books to the fleet, and to correspond with the several Chaplains of His Majesty's Ships on the subject of their Clerical duties, it is His Royal Highness's direction to the Captains and Commanding Officers of His Majesty's Ships, that they do not suffer any tracts or religious books to be received on board the Ships of the fleet, except such as shall have been approved and pointed out by Dr. Cole; and that they order their respective Chaplains to correspond with Dr. Cole on all matters relating to the religious instruction given by them to the Ships' Companies, and generally regarding their sacred duties.

By Command of His Royal Highness,
J. W. CROKER.

To the respective Flag Officers, Captains, Commanders, Commanding Officers, and Chaplains, of His Majesty's Ships and Vessels.

P.S. All such Letters are to be addressed to me "*On His Majesty's Service*," with the word "*Chaplain*" written in the left corner.

Admiralty Office, 19th June, 1827.

His Royal Highness the Lord High Admiral, taking into his consideration the importance to His Majesty's Service of that valuable class of men, the Petty Officers of the Royal Navy, and desirous of giving them such encouragement as may render them more respectable in their own opinion and in that of the Seamen of the fleet in general, has been pleased to make the following regulations:

1. No Petty Officer of either class shall be liable to corporal punishment as long as he is so rated, except by sentence of a Court Martial; but the Captains and Commanders of His Majesty's Ships and Vessels have the same authority as heretofore as to rating and disrating such Petty Officers, agreeably to their conduct and qualifications; and whenever a Petty Officer shall be disrated, it shall be mentioned in the Log Book, with the reason which induced the Captain so to disrate him: and when it shall be done as a punishment, that fact, and the circumstances of the misconduct, shall be also reported in the Quarterly Return of Punishments.

2. Whenever a Ship shall be paid off, such of the Petty Officers as shall desire it, shall be turned over to the Flag Ship at the Port, and borne on her Books as Supernumeraries, with the same Ratings and Pay as in the Ships whence they came, and shall be allowed a reasonable interval of absence on leave, on their due return from which, they will be placed in sea-going Ships, with the same Ratings, and the Pay of the Rate of the Ship to which they shall be respectively appointed.

But in order to entitle themselves to this indulgence, the Men must signify their intention to their Commanding Officers (who are to see that the Men understand the Regulation) before the Ship is paid off, as in the event of their being paid off and going on shore without having accepted it, they will not be afterwards received under this Regulation.

This article does not apply to Midshipmen, Master's Assistants, Schoolmasters, Clerks, Masters at Arms, Admiral's Coxswains, Ship's Corporals, or Volunteers of the First or Second Class.

3. The Petty Officers (who have not already a uniform) shall wear a mark of distinction on the upper part of the left sleeve of their jackets, viz.—

Those of the Second Class, an anchor represented in white cloth, and

Those of the First Class, a similar anchor surmounted by a crown.

The Navy Board will furnish these marks of distinction as soon as possible to the respective Stations, and the Captains and Commanders of the respective Ships will cause them to be affixed to the jackets of the Petty Officers.

By Command of His Royal Highness,
J. W. CROKER.

To the respective Flag Officers, Captains, Commanders, and Commanding Officers, of His Majesty's Ships and Vessels.

Admiralty Office, 7th July, 1827.

His Majesty has been graciously pleased, by his Order in Council of the 30th of last month, to repeal all former Orders in Council, regulating the appointment of Captains who may be passed over on Flag Promotions to be superannuated Rear Admirals, and to direct that the following Regulations shall be established in lieu thereof:—

1st. Captains (if, by their characters and other qualifications, they are considered eligible by the Lord High Admiral, or the Lords Commissioners of the Admiralty) shall be deemed entitled to promotion as Flag Officers of the Fleet, provided they shall have commanded one or more rated Ship four complete years during War, or six complete years during Peace, or five complete years of War and Peace combined.

2ndly. All Captains, who shall in future be set aside at any Promotion of Flag Officers, may be appointed "*Retired Rear Admirals*," with Pensions equal to the Half-pay of Rear Admirals of the Fleet, provided such Officers have retained an unblemished character, and have not avoided or declined service.

3rdly. Captains not entitled under either of the before-mentioned Regulations to be promoted to be a Flag Officer on the Active List, nor yet to be placed on the Retired List of Rear Admirals, shall be altogether removed from the List of Officers of the Fleet, and shall receive Civil Pensions on the Estimates of the Navy equal to their Half-pay as Captains.

And His Majesty has likewise been pleased to direct, with reference to the 9th and 10th Articles of the 3d Chapter of the Regulations relating to His Majesty's Service at Sea, that the periods of time required to elapse before a Lieutenant can be promoted to the rank of Commander, or a Commander to the rank of Captain, shall be actually served by such Officers on board His Majesty's Ships and Vessels in their respective ranks.

By Command of His Royal Highness,
J. W. CROKER.

whenever a Captain of one of His Majesty's *rated* Ships of War (in which denomination are included Commodores wearing Blue Pendants), shall signify, in *writing*, to the British Consul his arrival within the Port at which the Consul resides, the Consul (or Vice-Consul, in Ports where there is a Consul-General) shall take the earliest opportunity of waiting, *in person*, on such Captain, and of affording him any assistance which he may require: And that such Captains shall furnish a Boat to convey the Consuls on board, and reland them, on the Consul notifying his wish to have a Boat sent for him.

Commanders are, on their arrival at any such Port, to wait upon His Majesty's Consuls, but they are to be waited upon by Vice-Consuls, according to the foregoing regulations.

It is understood, of course, that both Consuls-Generals and Consuls shall, in all cases, wait upon Flag-Officers, and Commodores wearing a Red or White Pendant, on their arrival at the Port of their Residence, without waiting for any previous communication.

And His Royal Highness commands me to signify the same to the respective Flag-Officers, Commodores, and Captains of His Majesty's Ships, for their information and guidance; and that the Memorandum on this subject, dated 5th March, 1825, is to be no longer in force.

Admiralty-Office, 11th August, 1827.

His Majesty's Principal Secretary of State for the Colonial Department, having communicated to His Royal Highness the Lord High Admiral the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Diemen's Land, to Persons proceeding thither as Settlers, and having acceded to the suggestion of His Royal Highness, that it would be desirable to encourage Officers of the Royal Navy and Marines, of rank not inferior to Captains in the Army, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their Services; His Royal Highness the Lord High Admiral hereby makes known to the Officers of the Royal Navy and Marines, ranking as above, that the Regulations established by His Majesty's Government for the encouragement of Officers on Half-Pay settling in New South Wales and Van Diemen's Land, are as follows, *viz.*—

Officers of all ranks on Half-Pay are allowed to emigrate, and are not required to make any Deposit as Security, the intention being, that they shall obtain Grants of Land without Purchase, subject, however, to the Conditions hereinafter specified, *viz.*

The remission of Quit Rent shall take place for a certain number of years beyond the average period which is prescribed in the case of ordinary Settlers, according to the following Scale:—

Officers of the standing of Twenty Years and upwards, to be exempted from all Quit Rent.

Officers of Fifteen Years standing and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers of Ten Years standing and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers of Seven Years standing and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects, the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted, shall enter into a Bond, that he, or his Family, shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the grant was made.

For instance, supposing the Grant to be Two Hundred Acres, at the estimated value of 5*s.* per Acre, the individual will not be allowed to sell it until he shall be reported to have expended 25*l.* upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his Heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any Individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted, must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own Passage, and that of his Family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:

To New South Wales.

REGULATIONS TO BE OBSERVED BY OFFICERS ATTENDING THE ROYAL NAVAL COLLEGE.

The Lords Commissioners of the Admiralty have given directions for the admission of twenty-four Commissioned Naval Officers, (of whatever rank,) who may wish to attend the Professor at the School of Naval Architecture, at Portsmouth, to improve their knowledge in scientific subjects connected with the Naval Service, under the following Regulations, *viz.*

The Officers (after receiving a warrant from their Lordships) will be admitted to the Room for Study at half past eight o'clock every morning, (except Saturdays and Sundays); and they will be *required* to be there by three in the afternoon at latest, and to quit the Dock Yard at five in the evening.

During their attendance at the College, the Officers will be expected not to absent themselves (without special leave of absence from their Lordships) more than one lecture day in a fortnight, except in case of sickness: and the Lieutenant-Governor of the College will make a monthly report to the Admiralty of the days and hours of the Officers' attendance, &c., with any remarks that he or the Professor may think right to add.

They will be allowed to remain at the College one year, if they so wish, when they will be discharged to make room for others: or they may be discharged, if they desire it, at any earlier period; but after having been discharged they will not be eligible for future admission.

In order that the Course of Lectures may not be interrupted, Officers will not be admitted at broken periods, but only at the commencement of each half year immediately after the Christmas and Midsummer Vacations.

The Professor and First Mathematical Master of the Royal Naval College will attend from two o'Clock in the afternoon to half past four, during one hour of which time the Professor will give Lectures on such subjects as he may select as likely to prove most useful to the Officers in attendance.

The Officers are to provide, at their own expense, such Books, Instruments, &c., as may be required for their own *personal* use; and they will also form a Mess at Portsmouth, or otherwise arrange for their Board and Lodging in the town as they may deem proper, it not being intended that the Public shall incur any expense for them under either of these heads.

Officers desirous of being admitted after the next Vacation, are to make application to the Secretary of the Admiralty before the expiration of the Vacation.

By Command of their Lordships,

J. W. CROKER.

Admiralty Office, 15th February, 1830.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Directions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships.

J. W. CROKER.

Admiralty Office, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

Admiralty Office, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a *gold medal*, once in every two years, on such two Medical Officers, whether *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 12th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

Admiralty Office, 1st June, 1830.

By an Act recently passed, 11 Geo. IV. chap. 20, all Letters and Packets sent through the General Post Office to the several departments of the Navy Office and Victualling Office, are allowed to pass free of postage, provided they are respectively addressed as follows:—

To the Commissioners of His Majesty's Navy; or,

To the Commissioners for Victualling His Majesty's Navy:—

But care must be taken not so to address any letters or papers which relate to private business, and are not solely on the public service, as all such are directed by the Act to be forwarded to the General Post Office by the department to which they are so addressed, in order that the parties for whom they are intended, may be charged with the postage.

GREENWICH OUT PENSIONS.

REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY HIS MAJESTY'S ORDER IN COUNCIL OF 24 AUGUST, 1831.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Mid-shipman, Master's-Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for *wounds* or *hurts received in Action*, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*: if able to contribute in a small degree to his livelihood, from Ninepence to One Shilling *per diem*: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for *sickness* or *debility contracted in the Service*, or for *wounds* or *hurts* received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *disability* contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where

a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of *injury* or *debility*, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Nineteen *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz.:—

Art. 10.—The Pensions of Widows who are re-married, or may re-marry before the 31st of December, 1830, shall be paid to themselves, and their Receipts shall, notwithstanding their Coverture, be deemed a sufficient discharge for the payment of their Pension.

Admiralty-Office, 17th March, 1831.

MEMORANDUM.—His Majesty has been graciously pleased to rescind the Memorandum of the 2nd December last, and to direct that any Naval Officer, not being a Commissioned Officer, who may wish to attend His Majesty's Levees, shall be presented only by one of the Lords Commissioners of the Admiralty.

GEORGE ELLIOT.

Admiralty-Office, 31*st March*, 1831.

MEMORANDUM.—The Lords Commissioners of the Admiralty having permitted the Captains commanding His Majesty's Ships of the Line to nominate *Commanders*, subject to their Lordships' approval, have thought fit to order, that no *Commander* shall hereafter be deemed eligible for an appointment to a ship of the Line, or other ship entitled to bear a Commander, unless he shall have served three years in the command of a sea-going Sloop of War, or three years as First Lieutenant of a Rated Ship.

By command of their Lordships,
GEORGE ELLIOT.

12*th January*, 1831.

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

	Per annum.
Of Flag and General Officers	80*l.*
Captains of the Navy, Colonels, and Lieutenant-Colonels	70*l.*
Of Commanders, and all below that rank, and Majors	50*l.*

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40*l.* per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20*l.* per annum.

The Sons of Civilians are to pay the sum of 125*l.* per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 13 years.

Every Candidate for admission must, at the time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in *any* case, until *both* Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Treasurer of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as two years' service at sea; the remaining four years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Such Students as may not be able to complete their plan of education in the course of two years, and such as it may be found necessary to remove from the College, (unless expelled the same), shall be allowed such a portion of time as service at sea as, with reference to the progress made in their education, or the cause of their removal, shall appear to the Lords Commissioners of the Admiralty reasonable and proper; and young gentlemen, under these circumstances, must also serve the further time, necessary for completing their six years, actually at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, after the termination of the Midsummer holydays of 1831, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service. These Regulations are not meant to apply to such College Midshipmen as are already serving in ships, or who are now in the College, or who may be admitted in the course of the half year, ending in July, 1831.

Admiralty Office, 7*th October*, 1831.

REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN AND CAPTAINS' CLERKS, ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.

Article 1.—The Captains and Commanders of His Majesty's Ships may appoint the established number of Volunteers of the 1st Class, subject to the approbation of the Lords Commissioners of the Admiralty.

Art. 2.—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates and Midshipmen, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

are to be selected from among the Mates who have passed their examination for Lieutenants prior to the year 1829, or from Young Gentlemen educated at the Royal Naval College, who may have completed a two years' service afloat (the latter class however to be confined, as at present, to sea-going ships), such selections to be made by the several Captains and Commanders, and permission for their entry to be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of so doing, the vacancies will be filled up by their Lordships.

Art. 3.—In future, no Masters' Assistants, or Volunteers of the 2d Class shall be entered in the complements of his Majesty's Ships, except only such as have already served in those ratings, who will be allowed to be re-entered and to continue in the service, upon the application of such Captains or Commanders as may wish to have them, to the extent of the scheme of the Peace Establishment, dated 1st Jan. 1830.

Art. 4.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the last discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordship's information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorise the entry.

Art. 5.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority.

Art. 6.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 7.—A Return from every Ship is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be *paid off*, a similar Return is to be *immediately* made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 8.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned; and they are therefore to observe, that they are not to disrate Midshipmen, Masters' Assistants, or Volunteers of either Class; but, in case of such serious misconduct as would require disrating, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief, or Senior Officer, in order to their being removed from the Service; in any such case the circumstances are to be stated to their Lordships by the first opportunity; but any of the Classes mentioned in the 2d Article, being already in the Service under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

Art. 9.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, who may not have already served in that rating on board one of His Majesty's Ships; two Clerks will be allowed to all *rated* Ships, one of whom must be selected from those who have passed for Purser prior to the year 1829; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captain's Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

Whereas Commanders serving as Second Captains in any Class of our Ships are now entitled to share Prize Money as Commanders: And whereas such Commanders are considered only to stand in the situation of First Lieutenants: We have therefore thought fit, by and with the Advice of Our Privy Council, to issue this Our Royal Proclamation, and We do hereby order and direct, That in future all Commanders so serving as Second Captains shall share only as Lieutenants in such Prizes as may be taken.

Given at Our Court at St. James's, the Twenty-first day of September, One thousand eight hundred and thirty-one, and in the Second Year of Our Reign.

God save the King.

Admiralty Office, 11th January, 1832.

To avoid the inconvenience and delay which has sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Affidavits; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Affidavits to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

Payable Quarterly.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, *(stating the date their last letter of leave bore)* so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1820.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to

(*Circular to the Naval Commanders-in-Chief.*)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

whenever a Captain of one of His Majesty's *rated* Ships of War (in which denomination are included Commodores wearing Blue Pendants, shall signify, in *writing*, to the British Consul his arrival within the Port at which the Consul resides, the Consul (or Vice-Consul, in Ports where there is a Consul-General) shall take the earliest opportunity of waiting, *in person*, on such Captain, and of affording him any assistance which he may require: And that such Captains shall furnish a Boat to convey the Consuls on board, and reland them, on the Consul notifying his wish to have a Boat sent for him.

Commanders are, on their arrival at any such Port, to wait upon His Majesty's Consuls, but they are to be waited upon by Vice-Consuls, according to the foregoing regulations.

It is understood, of course, that both Consuls-Generals and Consuls shall, in all cases, wait upon Flag-Officers, and Commodores wearing a Red or White Pendant, on their arrival at the Port of their Residence, without waiting for any previous communication.

And His Royal Highness commands me to signify the same to the respective Flag-Officers, Commodores, and Captains of His Majesty's Ships, for their information and guidance; and that the Memorandum on this subject, dated 5th March, 1825, is to be no longer in force.

Admiralty, 11*th August*, 1827.

His Majesty's Principal Secretary of State for the Colonial Department, having communicated to His Royal Highness the Lord High Admiral the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Diemen's Land, to Persons proceeding thither as Settlers, and having acceded to the suggestion of His Royal Highness, that it would be desirable to encourage Officers of the Royal Navy and Marines, of rank not inferior to Captains in the Army, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their Services; His Royal Highness the Lord High Admiral hereby makes known to the Officers of the Royal Navy and Marines, ranking as above, that the Regulations established by His Majesty's Government for the encouragement of Officers on Half-Pay settling in New South Wales and Van Diemen's Land, are as follows, *viz.*—

Officers of all ranks on Half-Pay are allowed to emigrate, and are not required to make any Deposit as Security, the intention being, that they shall obtain Grants of Land without Purchase, subject, however, to the Conditions hereinafter specified, *viz.*

The remission of Quit Rent shall take place for a certain number of years beyond the average period which is prescribed in the case of ordinary Settlers, according to the following Scale:—

Officers of the standing of Twenty Years and upwards, to be exempted from all Quit Rent.

Officers of Fifteen Years standing and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers of Ten Years standing and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers of Seven Years standing and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects, the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted, shall enter into a Bond, that he, or his Family, shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the grant was made.

For instance, supposing the Grant to be Two Hundred Acres, at the estimated value of 5*s.* per Acre, the individual will not be allowed to sell it until he shall be reported to have expended 25*l.* upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his Heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any Individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted, must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own Passage, and that of his Family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for *wounds* or *hurts received in Action*, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*: if able to contribute in a small degree to his livelihood, from Ninepence to One Shilling *per diem*: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for *sickness* or *debility contracted in the Service*, or for *wounds* or *hurts* received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *disability* contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or *debility*, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

A mistake having for some time existed in the official Navy List, by which Gunners, Boatswains, and Carpenters are required to wear Cocked Hats, as Uniform; they are hereby directed to observe that, by His Majesty's regulations of the 18th December, 1827, they are to wear plain round Hats, and that no other Hats are allowed to be worn as Uniform by them.

Admiralty, 7th November, 1829.

REGULATIONS TO BE OBSERVED BY OFFICERS ATTENDING THE ROYAL NAVAL COLLEGE.

The Lords Commissioners of the Admiralty have given directions for the admission of twenty-four Commissioned Naval Officers, (of whatever rank,) who may wish to attend the Professor at the School of Naval Architecture, at Portsmouth, to improve their knowledge in scientific subjects connected with the Naval Service, under the following Regulations, *viz.*

The Officers (after receiving a warrant from their Lordships) will be admitted to the Room for Study at half past eight o'clock every morning, (except Saturdays and Sundays); and they will be *required* to be there by three in the afternoon at latest, and to quit the Dock Yard at five in the evening.

During their attendance at the College, the Officers will be expected not to absent themselves (without special leave of absence from their Lordships) more than one lecture day in a fortnight, except in case of sickness: and the Lieutenant-Governor of the College will make a monthly report to the Admiralty of the days and hours of the Officers' attendance, &c., with any remarks that he or the Professor may think right to add.

They will be allowed to remain at the College one year, if they so wish, when they will be discharged to make room for others: or they may be discharged, if they desire it, at any earlier period; but after having been discharged they will not be eligible for future admission.

In order that the Course of Lectures may not be interrupted, Officers will not be admitted at broken periods, but only at the commencement of each half year immediately after the Christmas and Midsummer Vacations.

The Professor and First Mathematical Master of the Royal Naval College will attend from two o'Clock in the afternoon to half past four, during one hour of which time the Professor will give Lectures on such subjects as he may select as likely to prove most useful to the Officers in attendance.

The Officers are to provide, at their own expense, such Books, Instruments, &c., as may be required for their own *personal* use; and they will also form a Mess at Portsmouth, or otherwise arrange for their Board and Lodging in the town as they may deem proper, it not being intended that the Public shall incur any expense for them under either of these heads.

Officers desirous of being admitted after the next Vacation, are to make application to the Secretary of the Admiralty before the expiration of the Vacation.

By Command of their Lordships,
J. W. CROKER.

Admiralty, 15th February, 1830.

The Lords Commissioners of the Admiralty being desirous to extend the benefit of the Marine Surveys which have been made for the use of His Majesty's Navy, more generally among the Mercantile Shipping of the Empire, have appointed Mr. R. B. Bate, 21, Poultry, London, to be their Lordships' agent for the sale of all Charts, Plans, Views, and Sailing Directions, which are published under their Lordships' orders; and he has been directed to employ proper sub-agents at the principal sea-ports for the same purpose.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Directions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships.
J. W. CROKER.

Admiralty, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a *gold medal*, once in every two years, on such two Medical Officers, whether, *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

	Per annum.
Of Flag and General Officers	80*l.*
Captains of the Navy, Colonels, and Lieutenant-Colonels	70*l.*
Of Commanders, and all below that rank, and Majors	50*l.*

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40*l.* per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20*l.* per annum.

The Sons of Civilians are to pay the sum of 125*l.* per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 13 years.

Every Candidate for admission must, at the time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 13 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in *any* case, until *both* Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. Simson.

The parents or friends of every Student shall pay in to the Office of the Treasurer of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as two years' service at sea; the remaining four years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Such Students as may not be able to complete their plan of education in the course of two years, and such as it may be found necessary to remove from the College, (unless expelled the same), shall be allowed such a portion of time as service at sea as, with reference to the progress made in their education, or the cause of their removal, shall appear to the Lords Commissioners of the Admiralty reasonable and proper; and young gentlemen, under these circumstances, must also serve the further time, necessary for completing their six years, actually at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, after the termination of the Midsummer holydays of 1831, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service. These Regulations are not meant to apply to such College Midshipmen as are already serving in ships, or who are now in the College, or who may be admitted in the course of the half year, ending in July, 1831.

Admiralty, 7th October, 1831.

The other restrictions specified in the said Article continue in force.

The Widows of Boatswains, Gunners, and Carpenters, of the Royal Navy, and Masters of Naval Vessels, warranted by the Navy Board, appointed prior to the 30th of June, 1830, will, if otherwise qualified, be entitled to Pensions of 25*l.*: but no Widow of any of the abovenamed Warrant Officers, who shall have been warranted after that Date, shall have any claim whatever to a Pension.

Art. 3.—The Pensions of all Widows shall commence from the first day of the Month following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application; and all applications for Pensions must be addressed to the Secretary of the Admiralty.

Art. 4.—The Widows of Officers (except Chaplains) who marry after the 31st of December, 1830, will only be entitled to the Pensions of their respective Classes in the event of their Husbands having been on the List of Commission or Warrant Officers ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service.

Art. 5.—No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served Three Years in sea-going Ships, or Four Years in Guard-Ships, subsequent to their marriage, or shall, in the whole, have served the length of time to entitle him to his Half-pay.

Art. 6.—No Widow shall be entitled to the Pension who has not been married Twelve Months to the Officer by whose right she claims the same, unless the said Officer was *killed* or *drowned* in the Sea Service; but the Lords Commissioners of the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their Marriage, in such cases as they think proper.

Art. 7.—If any Officer shall marry after the Age of Sixty Years, his Widow shall not be entitled to receive the Pension; or, if being capable of Service, he should, at his own solicitation, be excused from it, being at the time warned that his Widow would thereby forfeit the Pension.

MEMORANDUM.—His Majesty has been graciously pleased to rescind the Memorandum of the 2nd December last, and to direct that any Naval Officer, not being a Commissioned Officer, who may wish to attend His Majesty's Levees, shall be presented only by one of the Lords Commissioners of the Admiralty.

GEORGE ELLIOT.

Admiralty, 31st March, 1831.

MEMORANDUM.—The Lords Commissioners of the Admiralty having permitted the Captains commanding His Majesty's Ships of the Line to nominate *Commanders*, subject to their Lordships' approval, have thought fit to order, that no *Commander* shall hereafter be deemed eligible for an appointment to a ship of the Line, or other ship entitled to bear a Commander, unless he shall have served three years in the command of a sea-going Sloop of War, or three years as First Lieutenant of a Rated Ship.

are to be selected from among the Mates who have passed their examination for Lieutenants prior to the year 1829, or from Young Gentlemen educated at the Royal Naval College, who may have completed a two years' service afloat (the latter class however to be confined, as at present, to sea-going ships), such selections to be made by the several Captains and Commanders, and permission for their entry to be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of so doing, the vacancies will be filled up by their Lordships.

Art. 3.—In future, no Masters' Assistants, or Volunteers of the 2d Class shall be entered in the complements of his Majesty's Ships, except only such as have already served in those ratings, who will be allowed to be re-entered and to continue in the service, upon the ap-

plication of such Captains or Commanders as may wish to have them, to the extent of the scheme of the Peace Establishment, dated 1st Jan. 1828.

Art. 6.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the last discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships's information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorise the entry.

Art. 5.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority.

Art. 6.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 7.—A Return from every Ship is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be *paid off*, a similar Return is to be *immediately* made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 8.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned; and they are therefore to observe, that they are not to disrate Midshipmen, Masters' Assistants, or Volunteers of either Class; but, in case of such serious misconduct as would require disrating, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief, or Senior Officer, in order to their being removed from the Service; in any such case the circumstances are to be stated to their Lordships by the first opportunity; but any of the Classes mentioned in the 4th Article, being already in the Service under their Lordships' sanction, may be removed from one Ship to another, as proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

Art. 9.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, who may not have already served in that rating on board one of His Majesty's Ships; two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser prior to the year 1828; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captain's Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

Whereas Commanders serving as Second Captains in any Class of our Ships are not entitled to share Prize Money as Commanders: And whereas such Commanders are considered only to stand in the situation of First Lieutenants: We have therefore thought fit, by and with the Advice of Our Privy Council, to issue this Our Royal Proclamation, and We do hereby order and direct, That in future all Commanders so serving as Second Captains shall share only as Lieutenants in such Prizes as may be taken.

Given at Our Court at St. James's, the Twenty-first day of September, One thousand eight hundred and thirty-one, and in the Second Year of Our Reign.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, *(stating the date their last letter of leave bore)* so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions: *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and out Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to

which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

(*Circular to the Naval Commanders-in-Chief.*)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King *George* the Third, Chapter 25th, intituled *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that from and after the Eighth Day of *April* One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or of any other Article which may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of *July* following, made and issued by His Royal Highness the then Prince Regent, in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered; We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of *September* next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War;

For any Distance of Two thousand Leagues and upwards.....	1	$1\frac{1}{2}$	2

And it is further established and declared, That such Freights shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their Liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of *July* One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Twenty-third Day of *April* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

A PROCLAMATION.

Admiralty, 28th May, 1827.

His Royal Highness the Lord High Admiral having appointed the Rev. Samuel Cole, DD., the Senior Chaplain of Greenwich Hospital, to superintend the issue of religious books to the fleet, and to correspond with the several Chaplains of His Majesty's Ships on the subject of their Clerical duties, it is His Royal Highness's direction to the Captains and Commanding Officers of His Majesty's Ships, that they do not suffer any tracts or religious books to be received on board the Ships of the fleet, except such as shall have been approved and pointed out by Dr. Cole; and that they order their respective Chaplains to correspond with Dr. Cole on all matters relating to the religious instruction given by them to the Ships' Companies, and generally regarding their sacred duties.

By Command of His Royal Highness,
J. W. CROKER.

To the respective Flag Officers, Captains, Commanders, Commanding Officers, and Chaplains, of His Majesty's Ships and Vessels.

P.S. All such Letters are to be addressed to me "*On His Majesty's Service,*" with the word "*Chaplain*" written in the left corner.

Admiralty, 19th June, 1827.

His Royal Highness the Lord High Admiral, taking into his consideration the importance to His Majesty's Service of that valuable class of men, the Petty Officers of the Royal Navy, and desirous of giving them such encouragement as may render them more respectable in their own opinion and in that of the Seamen of the fleet in general, has been pleased to make the following regulations:

1. No Petty Officer of either class shall be liable to corporal punishment as long as he is so rated, except by sentence of a Court Martial; but the Captains and Commanders of His Majesty's Ships and Vessels have the same authority as heretofore as to rating and disrating such Petty Officers, agreeably to their conduct and qualifications; and whenever a Petty Officer shall be disrated, it shall be mentioned in the Log Book, with the reason which induced the Captain so to disrate him: and when it shall be done as a punishment, that fact, and the circumstances of the misconduct, shall be also reported in the Quarterly Return of Punishments.

2. Whenever a Ship shall be paid off, such of the Petty Officers as shall desire it, shall be turned over to the Flag Ship at the Port, and borne on her Books as Supernumeraries, with the same Ratings and Pay as in the Ships whence they came, and shall be allowed a reasonable interval of absence on leave, on their due return from which, they will be placed in sea-going Ships, with the same Ratings, and the Pay of the Rate of the Ship to which they shall be respectively appointed.

But in order to entitle themselves to this indulgence, the Men must signify their intention to their Commanding Officers (who are to see fore the Ship is paid off, as in the event of their being paid off and going on shore without having accepted it, they will not be afterwards received under this Regulation.

This article does not apply to Midshipmen, Master's Assistants, Schoolmasters, Clerks, Masters at Arms, Admiral's Coxswains, Ship's Corporals, or Volunteers of the First or Second Class.

3. The Petty Officers (who have not already a uniform) shall wear a mark of distinction on the upper part of the left sleeve of their jackets, viz.—

Those of the Second Class, an anchor represented in white cloth, and

Those of the First Class, a similar anchor surmounted by a crown.

By Command of His Royal Highness,
J. W. CROKER.

To the respective Flag Officers, Captains, Commanders, and Commanding Officers, of His Majesty's Ships and Vessels.

Admiralty, 7th July, 1827.

His Majesty has been graciously pleased, by his Order in Council of the 30th of last month, to repeal all former Orders in Council, regulating the appointment of Captains who may be passed over on Flag Promotions to be superannuated Rear Admirals, and to direct that the following Regulations shall be established in lieu thereof:—

1st. Captains (if, by their characters and other qualifications, they are considered eligible by the Lord High Admiral, or the Lords Commissioners of the Admiralty) shall be deemed entitled to promotion as Flag Officers of the Fleet, provided they shall have commanded one or more rated Ship four complete years during War, or six complete years during Peace, or five complete years of War and Peace combined.

2ndly. All Captains, who shall in future be set aside at any Promotion of Flag Officers, may be appointed "*Retired Rear Admirals,*" with Pensions equal to the Half-pay of Rear Admirals of the Fleet, provided such Officers have retained an unblemished character, and have not avoided or declined service.

3rdly. Captains not entitled under either of the before-mentioned Regulations to be promoted to be a Flag Officer on the Active List, nor yet to be placed on the Retired List of Rear Admirals, shall be altogether removed from the List of Officers of the Fleet, and shall receive Civil Pensions on the Estimates of the Navy equal to their Half-pay as Captains.

And His Majesty has likewise been pleased to direct, with reference to the 9th and 10th Articles of His Majesty's Service at Sea, that the 3d Chapter of the Regulations relating to His Majesty's Service before a the periods of time required to elapse before a Lieutenant can be promoted to the rank of Commander, or a Commander to the rank of Captain, shall be actually served by such Officers on board His Majesty's Ships and Vessels in their respective ranks.

By Command of His Royal Highness,
J. W. CROKER.

MEMORANDUM.

Admiralty, 11th July, 1827.

It has been arranged by his Royal Highness the Lord High Admiral, and His Majesty's Secretary of State for Foreign Affairs, that whenever a Captain of one of His Majesty's *rated* Ships of War (in which denomination are included Commodores wearing Blue Pendants), shall signify, in *writing*, to the British Consul his arrival within the Port at which the Consul resides, the Consul (or Vice-Consul, in Ports where there is a Consul-General) shall take the earliest opportunity of waiting, *in person*, on such Captain, and of affording him any assistance which he may require: And that such Captains shall furnish a Boat to convey the

Consuls on board, and reland them, on the Consul notifying his wish to have a Boat sent for him.

Commanders are, on their arrival at any such Port, to wait upon His Majesty's Consuls, but they are to be waited upon by Vice-Consuls, according to the foregoing regulations.

It is understood, of course, that both Consula-Generals and Consuls shall, in all cases, wait upon Flag-Officers, and Commodores wearing a Red or White Pendant, on their arrival at the Port of their Residence, without waiting for any previous communication.

And His Royal Highness commands me to signify the same to the respective Flag-Officers, Commodores, and Captains of His Majesty's Ships, for their information and guidance; and that the Memorandum on this subject, dated 5th March, 1825, is to be no longer in force.

Admiralty, 11th August, 1827.

His Majesty's Principal Secretary of State for the Colonial Department, having communicated to His Royal Highness the Lord High Admiral the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Diemen's Land, to Persons proceeding thither as Settlers, and having acceded to the suggestion of His Royal Highness, that it would be desirable to encourage Officers of the Royal Navy and Marines, of rank not inferior to Captains in the Army, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their Services; His Royal Highness the Lord High Admiral hereby makes known to the Officers of the Royal Navy and Marines, ranking as above, that the Regulations established by His Majesty's Government for the encouragement of Officers on Half-Pay settling in New South Wales and Van Diemen's Land, are as follows, *viz.*—

Officers of all ranks on Half-Pay are allowed to emigrate, and are not required to make any Deposit as Security, the intention being, that they shall obtain Grants of Land without Purchase, subject, however, to the Conditions hereinafter specified, *viz.*

The remission of Quit Rent shall take place for a certain number of years beyond the average period which is prescribed in the case of ordinary Settlers, according to the following Scale:—

Officers of the standing of Twenty Years and upwards, to be exempted from all Quit Rent.

Officers of Fifteen Years standing and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers of Ten Years standing and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers of Seven Years standing and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects, the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted, shall enter into a Bond, that he, or his Family, shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the grant was made.

For instance, supposing the Grant to be Two Hundred Acres, at the estimated value of 5*s.* per Acre, the individual will not be allowed to sell it until he shall be reported to have expended 25*l.* upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his Heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted, must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own Passage, and that of his Family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:

To New South Wales.			
Cabin	94*l*	10	0

To Van Dieman's Land.

Steerage	35	0	0

Every thing supplied to the Passengers, except Bedding. 10*l.* is deducted from Cabin, and 5*l.* from Steerage Passage, in case of a Man and his Wife occupying one Berth.

Children of Fourteen Years pay the same as Adults.

Admiralty, 3d March, 1832.

His Majesty's Government having revised the Regulations concerning the system of granting Land in the British Colonies of North America and Australia, so as to ensure to Officers of the Army and Navy and Royal Marines, wishing to become Settlers, the combined advantages arising from Rank and length of Service;—The Lords Commissioners of the Admiralty hereby signify to the Officers of the Royal Navy, that the King has been graciously pleased to declare, that Officers purchasing Land according to the Regulations established in the respective Colonies shall, in proportion to their Rank and length of Service, be entitled to a remission of the Purchase Money, according to the following graduated scale, on producing a Certificate of Servitude from their Lordships' Secretary:—

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 25 years standing and upwards, in the whole 300*l.*

REGULATIONS TO BE OBSERVED BY OFFICERS ATTENDING THE ROYAL NAVAL COLLEGE.

The Lords Commissioners of the Admiralty have given directions for the admission of twenty-four Commissioned Naval Officers, (of whatever rank,) who may wish to attend the Professor at the School of Naval Architecture, at Portsmouth, to improve their knowledge in scientific subjects connected with the Naval Service, under the following Regulations, *viz.*

The Officers (after receiving a warrant from their Lordships) will be admitted to the Room for Study at half past eight o'clock every morning, (except Saturdays and Sundays); and they will be *required* to be there by three in the afternoon at latest, and to quit the Dock Yard at five in the evening.

During their attendance at the College, the Officers will be expected not to absent themselves (without special leave of absence from their Lordships) more than one lecture day in a fortnight, except in case of sickness: and the Lieutenant-Governor of the College will make a monthly report to the Admiralty of the days and hours of the Officers' attendance, &c., with any remarks that he or the Professor may think right to add.

They will be allowed to remain at the College one year, if they so wish, when they will be discharged to make room for others; or they may be discharged, if they desire it, at any earlier period; but after having been discharged they will not be eligible for future admission.

In order that the Course of Lectures may not be interrupted, Officers will not be admitted at broken periods, but only at the commencement of each half year immediately after the Christmas and Midsummer Vacations.

The Professor and First Mathematical Master of the Royal Naval College will attend from two o'Clock in the afternoon to half past four, during one hour of which time the Professor will give Lectures on such subjects as he may select as likely to prove most useful to the Officers in attendance.

The Officers are to provide, at their own expense, such Books, Instruments, &c., as may be required for their own *personal* use; and they will also form a Mess at Portsmouth, or otherwise arrange for their Board and Lodging in the town as they may deem proper, it not being intended that the Public shall incur any expense for them under either of these heads.

Officers desirous of being admitted after the next Vacation, are to make application to the Secretary of the Admiralty before the expiration of the Vacation.

By Command of their Lordships,
J. W. CROKER.

Admiralty, 15th February, 1830.

proper sub-agents at the principal sea-ports for the same purpose.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Directions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships.

J. W. CROKER.

Admiralty, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a *gold medal*, once in every two years, on such two Medical Officers, whether, *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

GREENWICH OUT PENSIONS.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's-Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for *wounds* or *hurts received in Action*, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*: if able to contribute in a small degree to his livelihood, from Ninepence to One Shilling *per diem*: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Twopence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for *sickness* or *debility contracted in the Service*, or for *wounds* or *hurts received* in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *disability* contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of *injury*

Digitized by Google

or *debility*, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in thes aid Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz.:—

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

	Per annum.
Of Flag and General Officers	80*l.*
Captains of the Navy, Colonels, and Lieutenant-Colonels	70*l.*
Of Commanders, and all below that rank, and Majors	50*l.*

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40*l.* per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20*l.* per annum.

The Sons of Civilians are to pay the sum of 125*l.* per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in *any* case, until *both* Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Treasurer of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as one years' service at sea; the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Such Students as may not be able to complete their plan of education in the course of two years, and such as it may be found necessary to remove from the College, (unless expelled the same), shall be allowed such a portion of time as service at sea as, with reference to the progress made in their education, or the cause of their removal, shall appear to the Lords Commissioners of the Admiralty reasonable and proper; and young gentlemen, under these circumstances, must also serve the further time, necessary for completing their six years, actually at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, after the termination of the Midsummer holydays of 1831, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service. These Regulations are not meant to apply to such College Midshipmen as are already serving in ships, or who are now in the College, or who may be admitted in the course of the half year, ending in July, 1831.

Admiralty, 7th October, 1831.
